

IN THE  
SUPREME COURT OF THE UNITED STATES

APPLICATION NO.

Brandon Roberts,  
Petitioner,

V.

Wexford Health Sources,  
Corizon et al.,  
Respondents'.

REQUEST FOR AN EXTENSION OF  
TIME FOR FILING WRIT OF CERTIORARI

Pursuant to R. 30, of the court's procedures, the petitioner in the caption matter hereby moves for this court to allow an extension of 60 days, to file his petition with the court. Respectively, the petitioner asserts that he is appealing from a judgment dismissing a Petition for Rehearing entered within the Appeals Court for the Fourth Circuit on Dec. 12, 2023. See Roberts v. Wexford Health Sources et al., U.S. Ct. App. Case No. 23-6232, (4Th Cir.)

Currently, the petitioner would need the additional time to conduct research and adequately complete the writ in accordance with the procedures. Currently, the petitioner is limited in getting access to a law library and would need to utilize other resources to obtain the materials he needs to complete the task.

This is the petitioner's first and/or initial request and would serve in the interest of justice.

WHEREFORE, for reasons articulated herein the petitioner respectfully requests that the court GRANT this request, and any other such relief deemed just and equitable.

SIGNED UNDER THE PENALTIES OF PERJURY.
