PRAYER FOR RELIEF

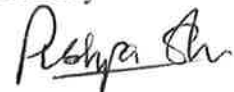

Petitioner respectfully request this Honorable court to treat the Application For Stay of Mandate which contained the original copies of the fully briefed, argued Petition For Leave to Appeal filed in Illinois Supreme court as a PETITION FOR WRIT OF CERTIORARI .

Petitioner further respectfully request that the Certiorari be granted due to unprecedented abuses of the United States Constitution where Federal Jurisdiction and Federal laws are rendered invalid, nullity and void by an inferior state circuit court of Cook county, Illinois; and such abuses endorsed by the Illinois Supreme court as narrated , argued with supporting facts and authorities in the Petition For Leave to Appeal.

Petitioner is filing this request in good faith, and despite best efforts to meet the deadline of April 15 to file a writ certiorari, Petitioner/Applicant would not be able to meet the due date of April 15, 2024 and no extension available. Though there are numerous cases where an Application for Stay under request by a party considered as Writ of certiorari, Petitioner respectfully cites a very recent precedent and decision on February 28, 2024 where this Highest court of the land has allowed an Application for Stay be treated as Writ of Certiorari, and set for further proceedings before the Court .

(23A745 *Donald J. Trump, Petitioner v. United States*, Application for stay granted; converted into Certiorari and granted.)

Respectfully submitted,

/s/ Pushpa Shekar
