Regarding: Time Computation / filing deadlines;
Page sequence for Writ of Certiorari

I am incarcerated at St. Louis Correctional Facility in Michigan. I have no personal access to a typewriter and am currently waiting on a response from the "legal writer" service available here. As my deadline is 4-4-24 I respectfully request a time extension to get this writ completed through word processing software. As you can see, other than type lettering I have the packet completed. Please allow a time extension.

Following this cover page are the instructions I used for page sequencing. These instructions conflict with those in the Supreme Court Rule book, these are current.
