22 **APPELLANT'S APPLICATION REQUESTING PERMISSION FOR AN EXTENSION OF**
23 **TIME TO FILE WRIT OF CERTIORARI.**

24
25 I, appellant, Norma Ortiz Fernandez, respectfully request that this court please grant Appellant's
26 Application Requesting Permission For An Extension of Time to File Writ of Certiorari.

27
28 **APPELLANT'S APPLICATION REQUESTING PERMISSION FOR AN EXTENSION OF**
TIME TO FILE WRIT OF CERTIORARI.

1 I. On January 17th, 2024, the Supreme Court of California issued the denial of Appellant's Petition
2 for Review, attached hereto, labeled, "**EXHIBIT 01, PETITION FOR REVIEW DENIAL.**"

3 II. On January 19th, 2024, appellant received via standard mail, United States Postal Service, a copy
4 of the order which states, "The Petition for Review is denied," January 17th, 2024," case number
5 **S283027.**

6 III. Appellant wishes to seek review to this highest court as a matter of law, petition/writ of
7 Certiorari, as I believe it is intrinsically important not only to this cause of action, but also to other large
8 groups of people, including but not limited to those in the state of California and nationally (public
9 interest).

10 IV. Appellant has 90-days from the date of the denial from the Supreme Court of California to
11 request relief to the Supreme Court of the United States via Writ of Certiorari.

12 V. 90-days from January 17th, 2024, would be April 16th, 2024, according to a google count between
13 these two dates, and according to clerical staff of the Supreme Court of The United States.

14 VI. I have read the rules of court located in your website for Writs of Certiorari and other (and have
15 tried my best to understand the content at my level of understanding).

16 VII. I am a pro per and don't do this for a living. I also don't have experience on how to effectively
17 provide a clear legal analysis of the issues being sought.

18 VIII. Nevertheless, I will never give up and pray that one day this court could, at the very least,
19 grant me the opportunity to be heard, due process. I will continue to advocate in this legal matter
20 because it is the right thing to do.

21 IX. The light of hope is still there. The thrive for positive change keeps me going in this journey. I
22 have made it here and the path has been an ongoing learning experience. I am not the same person.

23 X. The outcome derived from the denial of the petition of review at the Supreme Court of California
24 and earlier orders/decisions from the respective lower courts is impacting the lives of my family,
25 including my daughter and self.

26 XI. Appellant strongly believes that the appeal court was misled and inaccurately applied the facts
27 of this case depriving appellant of a disposition on the merits, resulting in a miscarriage of justice.

28 XII. I need more time to complete this highly important document. I have been doing research and
extensive readings. I have also been following the rules of court regarding format, length, and
procedure in my draft of appellant's writ of certiorari to the best of my abilities.

XIII. I am requesting a 60-day extension for time from the date of the present request.

**APPELLANT'S APPLICATION REQUESTING PERMISSION FOR AN EXTENSION OF
TIME TO FILE WRIT OF CERTIORARI.**

XIV. Among other items, appellant has started a master’s degree program in Leadership.

XV. I am a single parent and have multiple parental responsibilities, including afterschool activities.

XVI. I am also advocating in diverse topics of interest and importance in California.

XVII. I also work.

XVIII. Respondent will not be prejudiced.

XIX. Conclusion: For these reasons outlined, appellant feels, there is good cause to favorably grant the present request.

I declare under oath and penalty of perjury under the laws of the State of California that the above information has been indicated to the best of my abilities and beliefs.
