vs.

AFFIDAVIT FOR  
LATE NOTICE ON  
PETITION FOR A  
WRIT OF CERTIORARI

UNITED STATES OF AMERICA,  
Respondent.

No. \_\_\_\_\_

Dear Sir/Madam,

The Petitioner is the above caption files this affidavit for a late notice on petition for a writ of certiorari. His 90 day deadline was on May 29, 2023 from his denial of a COA in the United States Court of Appeals of the Second Circuit, in New York. This denial was made on February 28, 2023. Petitioner requested to his attorney Michael J. Confusione to file an appeal and he got no reply. He then wrote to the Second Circuit asking to appeal and they sent his letters to his lawyers, and still no reply. The Court then gave Petitioner the information to this Court so he could let them know he want to appeal his denial of the COA. At which time he did.

The Petitioner could not have file a timely appeal because he was moved to five different facilities since he was moved from Collins Corr. Fac., on March 27, 2023. He also couldn't file a timely appeal because DOCCS has lost all his property and his legal work. So he's trying to get back the little bit of his legal work he can.

If the Court grants this late petition, and is given a case number. He asks that for this petition not to be heard until he gets a decision on his direct appeal that is pending for his Orange County matter that is in the Appellate Div. for the Second Dept., in New York. The docket no. is 2019-03008. If this appeal is grant for the petitioner then it will show more grounds for this appeal that has
