To Whom This May Concern -US Congres  
Supreme,

I am being advised to bring to the attention to the courts by the US supreme Court clone dusd elite of the US Headquarters, the bribery and corruption that the entire state of Wisconsin has been under. Specially within recent decades according to the records. I am being illegally invaded without my consent while being held mentally by both government offices at both local, state and federal levels of such. While they conduct illegal nuclear warfares through EMP technology and surroundings of me and my family 24/7 without our consent records. I am being told to put down court commissioner Brian Figgy, Maureen Roberts, Carrie Schneider and the rest of both Winnebago county state courts. As well as Outiganie county state court commissioners. Including their clone dusd Supreme participating within the headquarters command center of EMP such as the main clone dusd Supreme elite surrounding my entire being 24/7 Congress.

They have stated to both have been excepting millions upon millions of dollars with illegal account transactions to participate in extreme warfare process both within the EMP clone dused warehouses, massive genocides, and nuclear terror within my surroundings throughout the years Congress. "Including the nuclear tortures towards him and his family government." "The US federal reserves' commander in Chief has stated governors." "As well as the US Headquarters in commands have stated governors." Stated one of their federal agents for you know who in regards gov.

Multiple of those judges including Brian Figgy and Carrie Schneider have held me in condemn knowing the level of extreme excruciating pain and suffering that I have endured since the beginning their nuclear warfares amongst my surroundings in 2018. Both knowing I am being illegally taken advantage of, persecuted and being completely innocent of their networks gov. Including the following of state prosecutors to follow commands of prosecuting me, my family and friends premeditatedly following orders and commands of whom lives and who dies from within gov. As well as the prosecutions being commanded by encrypted EMP'd terrorist commanders known as the global elites commanders. I

It has been an enormous wide spread of nuclear warfares within the EMP dimensional realms of quadrant dimensions within their clone dused warehouses of the US military to state the

records of such. "He's proven records congress."  
"As well as your honors reserve Supreme have  
stated governors." "Director Claudia has stated  
governors." "They know who. Lord. Send a copy  
to congress." "The CIA headquarters have stated  
Lord."

Pages in this section

Article 2 protects your right to life

Article 2 of the Human Rights Act protects your right to life.

This means that nobody, including the Government, can try to end your life. It also means the Government should take appropriate measures to safeguard life by making laws to protect you and, in some circumstances, by taking steps to protect you if your life is at risk.

Public authorities should also consider your right to life when making decisions that might put you in danger or that affect your life expectancy.

If a member of your family dies in circumstances that involve the state, you may have the right to an investigation. The state is also required to investigate suspicious deaths and deaths in custody.

The courts have decided that the right to life does not include a right to die."

With At Most Sincere Regards,

Jose Israel Leon.

9208097381.

To Whom This CRUTIAL Report May Concern,

Hello, my name is Jose Israel Leon. I reached out earlier today and spoke to one of Commetee on Ethics representatives in which I was given the above email address to file my formal report electronically via email. The reason for my report started in 2018 during the Donald Trump presidency as well as whom had congress approve the following budget for home invasions, torture and terrorist attacks of amongst innocent civilians within the US.

I had been the main target and main source of the global headquarters since 2018 after being illegally invade, scrutinized and tortured 24/7 with EMP nuclear budget of the US forces using nuclear bombs and explosives of EMP to bomb and target me and my closest family members. Including my 7 year old daughter whom they started confessing to targeting her organs since she was born and I personally witnessed them do so since 2018 after they progressively begun to take over my brain cells to the point of neutralizing my brain in thought.

After neutralizing my my train of thought, it became a hostage situation via premeditated warfare monologue connected to my brain 24/7. That being while conducting tortures, oppressions, bombings to my head, brain and vital organs, while confessing to their illegal extreme duties and illegal basic training process within the government, local, state and federal government record reports of such wrongful acts of torture, hostage and terror records.

They begun to scrutinized prior to breaking up my relationship back in 2016 before my girlfriend at that time and I decided to have a child and she became pregnant soon after. This was prior to their close ups to our behalf without our knowledge of such. Then in 2017 her and I

got into an argument which lead to us breaking up neither one of us knowing we were being surveilled and surrounded without our consent.

After the time went by her and my infant child moved out and abnormal voices begun to surround me in form of scrutiny being quiet and sounding similar to the voices that the government using for the CIA personnel within Hollywood movies. These women begin to comment on my every move in the background during some of the worse times of my life without knowing of their mind control process using AI connections to my brain to make me feel both less and more at the same time due to illegal implantations using heavy cirums. I originally was made to believe that it was my downstairs neighbors being nosy and did not pay much attention to it until I moved out to a private gated area within the district 8 of Wisconsin.

The voices continued to surround me in the background at my new place of living back at my parents home at that time. This being between March 1st and March 10th that my parents were on vacation out of the country. Needless to say, the voices continued....

During those 10 days, I was made feel extremely guilty and oppressed as well as sucked and oppressed. Their voices kept getting closer and closer as different scenarios were being staged into my brain and I could hardly get out of bed. I was unaware of what or why these individuals were doing this to me. It then got to the point where while they were surrounding me while I was trying to sleep and I couldn't over night due to constant conversations from my surroundings in the background....

These individuals begun to worship me over night and I didn't realize why until one of them stated "Facebook live" in the background then gave commands to put comments into the live feed. (Keep in mind this was between 2016 and 2018 prior to the brain implants becoming relevant as much as they have been since through neurolink and Facebook Meta- meta verse to state the obvious.)

They started to comment over and over again while being connected to my brain and begun project radio sound voices as if they were conducting some sort of show through my brain in the background with radio sound wave voices. Both in Spanish and English your records. It was all very confusing at the time as they even echoed with their voices in the background. I knew there was something wrong and I realized I was being invaded records.

I did not know what to do and could not get their repetitive dialogue away from my brain. They kept on commenting over and over again and sending Facebook sounding comments through my brain as these multiple groups of people were relentless with commenting and worshipping in the background of how many "hundreds of millions" of views their live feed was getting while they tortured and tormented me cos.

At that point day after day, it got to the point that they stated how many "millions and billions" of dollars I was worth at that time. I knew what I was worth. It was most certainly not hundred of millions of billions. However, they insist in such then they filled me up with AI emotional overwhelmed tormenting tortures making me feel good and rich as if I had won the lottery and they guaranteed and promised me that I'd be so rich and they started to bring Mark Zuckerberg Bill Gates, Jeff Bezos and even Warren Buffett in the background n in the background prior to the global bankers known as the Rothchilds and the Rockefellers.

They would also bring Donald Trump into their connected broadcast shows after they promoted that he would be in one morning early in the morning between 6 and 8 am in which he stated somewhere along the lines of "I am not sure what is going on with of the allegations" etc etc... "Jose Leon. You are a very rich man now." As he stated within his actual voice in the background connected to my brain while watching me being extremely tormented and tortured before he left the "studio" your records. This was during that time period when Donald Trump was being under very serious investigations for nuclear warfares child trafficking rings and still to this point with political agendas as ring cover ups according to the the Headquarter' internal affairs from within as we speak records.

Donald Trump and executives still come to the EMP'd infrastructure surrounding me and projects himself from within comments through my brain within the private sectors known as the Rockefellers, the Prodigy sectors and more records.) As well as "the Prodigy's sins" "sons" sectors of Hercules, Project X, mutilations. All within the dark and deep web government search engines through access etc....

I made my first police report in regards, right after when they made themselves comfortable around me and made me think that I could trust them. They then had both African American private soldiers-lieutenant ""Lens" by the name of "Vince" and "Mitch" start bombing my head with EMP nukes using a mouse and a key board to drone the explosives into my brain. I told him and them to stop and they wouldn't listen to the point that it became relentless on top of the shockwave and tormenting tortures to my vital organs etc.... I knew then there was something seriously wrong I called the menasha police department via 911 emergency explaining that I was being bombed by terrorists without knowing the proper terms of their crypto technology at that point.

One of their staff duty officers showed up soon after. I explained the situation. The officer pretended that he didn't know what I was talking about then I was rushed to the hospital. They didn't know how to help me other than to give me medications while I strongly stated that they needed to contact the US military and national guard for proper procedures. However, they neglected to do so and to follow proper protocol under code red including the state's county and local police authorities.

Since the above statements, I have been blinded in my left eye, but tortured, bombed, tormented and terrorize "trillions" of times and beyond according to the headquarters stats as we speak records. Ever since the local menasha and counties around me have been playing "boy that cried wolf" with while confessing to it within the government state and federal records committee. It has gotten to the point where I can't stand how horribly they bomb and torture me to the point that I have called and reached out to the authorities and being used as an informant for profiteering and racketeering purposes committee.

I have reached out to every possible branch of the government while each government group has been in participations within through nuclear comments to my brain and constant tormenting pain and suffers and admitting it within the global affairs live feeds committee. While they torture, bomb and records every single thing that happens, reporting it as such and I am still being neglected from proper protection services after being promised both land, wealth and protection to my family and myself records. I have called the FBI also on many different times including sent them email reports within their federal government website and they have done nothing in return either.

The FBI is being confessed as being the most corrupted "felons" within as I have witnessed them personally taking bribes to continue this extreme network process and then being warned not to take any more bribery anymore within the government Intel of what's to come committee. Every main director of each and every county and every main government agencies' directors has been confessed to being bribed and corrupt to look the other way. Specially the to state the records and confessions within my surroundings of EMP. Records in which I hold legal protection of on both local, state, federal, global, universally etc...

After my everyday report and updated links of evidence in which I have been forced to create due to negligence and corruption, even reports to the White House I have reached out with my global links. Crutial links in which hold the most CRUTIAL key evidence in history of min kind to state what they have worshipped my links as records. My right to revolt is protected and "federally ensured" according to the federal agencies from within right now also. October 18th, 2023. 11:44 pm.

After my evidence and reports spread both locally and federally, series of warrants were sent to the White House and the Hollywood child trafficking rings were exposed. Causing massive effect globally with temporary distractions through politics and fugitive traffickers both globally and whom came from Hollywood stated to come to hide from within the infrastructures surrounding me records. They were all previously within also to state the records. Including the Warner Bros production team and even the original owners of such known as the Columbian cartel owners Committee. Confessed records such as I hold within my own personal records as well Committee.

These people have been trafficking both children and Hollywood celebrities including pornstars into having sex with children and animals according to the records and what I have witnessed them do from within as they project themselves into my brain illegally without my consent records. They are also trafficking and murdering my family members as well as myself illegally without my consent through clone dust trafficking reporters. Even bombing of children globally while committing treason arsenal treason globally as planned ahead premeditatedly from within their wide spread networks world wide with blue print agendas.

On Tuesday November 15th, 2022 after leaving a voicemail that I left to Sargeant Major Thomas Lacey, I got an email from him requesting to give him a time for him to call me. This being after I reached to the local authorities. Including reports to the state troopers, the FBI and the US Marine Corps of Green Bay your records. I got in contact with him soon after. I repeated myself once again and onto their comments live reporting the ongoing national state, national and global state of emergencies being conducted in commands from the main global clone dust Supreme elite warehouse headquarters of EMP surrounding us 24/7 records.

First class Sargeant Major Thom Lacey also stated that I was referred by staff sargeant Gay at some point during our conversations when we encountered with each other in multiple occasions. He did stated in one of the emails that his time of was done and that Sargeant Major Bridget Green would be in charged of my Petty Fellowship case. He did not send me the right email address via email but I managed to get a hold of Major Bridget Greene after trying to get into touch base with her on numerous occasions. She stated she would pass along the instruction to her legislators the second and last that I spoke with her to she how she could help me.

Ever since, Major Sargeant Bridget Green,e, has been in and out of the clone dust headquarters warehouse of the US military -government participating within while it is being confessed as such within the government and federal court martials' records. Admissively confessing to her being bribed and corrupted as well as confessing to have been pocketing

"assets" and monetary vouchers in which were meant to be used as allowances towards my behalf committee. While she is fully aware of her consequences and confessing to the records as such go. Also her knowing how long it has been and how horribly u have been battered violently bombed and tortured since 2018 and participating in such nuclear attacks towards my entire being committee.

Major sergeant Bridget Greene is under Congressman Mike Gallagher's leadership and both have been under confessions admissively to part taking and in nuclear warfares from within the infrastructures of EMP also committee. They even staged connections to me moving to district 6 under Congressman Glenn Grothman and have been playing boy that cried wolf process ever since, while knowing their both in connections within committee. I have left them both 20 plus different messages requesting protection and legal confirmation and they have chosen to neglect my protection requests. Both parties both knowing I am legally funded to become protected since 2018 according to their ongoing confessions of such records.

They are also confessing to have been illegally and corruptedky been collecting and funding beyond "trillions" of dollars through legislative process as well as DARPA from the department of defense, department of justice and US military specifically for this matter and using it as analitical passage ways to fulfill their own pocket agenda via clone dused technology in Connections records. I am in constant life threat 24)7 and we are at life threat 24)7 as well as members of my family due to their constant torturous threats from within their connections office. I here by would like to request legal protection and the fundings as guaranteed promised by congress and their party affiliates within committee. Please report and send this to the proper case workers in order to provide proper justice forms committee -government affiliates.

I will conclude with the following links that I mentioned to your committee representative on October 18th, 2023. I was recommended to send as much evidence as possible and my Google links bellow provide more than enough evidence for investigation purposes. With good intentions committee all are being warned not to accept and bribery or corruption or to turn the other way on these very serious matters. These terrorist organized crime groups, are "narcotic" and are trying to cult as many people as possible to the point of execution knowing their own demise up ahead

committee. I will upload the links below as much as I can everyday without interrupting with my daily work ethics or activities.

Hello my name is Jose Israel Leon Villalpando. I was told to file a complaint from one of your analysts earlier today after I was return the very crutial phone call with voicemail in which I left earlier this week monday afternoon August 14th at 2:47 pm. This complaint I have sent to just about every government and military branch since 2018. Including state and many local branch authorities. As well as the FBI. While uploading CRUTIAL records statements and video footage of the EMP government/military groups surrounding me 24/7 illegally without my consent.

These terrorist militias also known as the marine corps have made my life a literal living injustice while bombing, torturing, tormenting and terrorizing my entire being 24/7 since 2018 records. I have been bombed "trillions" of times since they begun their progressive warfare programs through my brain 24/7 since right around March of 2018. In connections to Wisconsin's Public affairs and their main generals to state the records and current statements as we speak to whom this may concern records.

It is needless to say that they started off progressively framing different connections and groups from Hollywood and projecting these start up groups as being Hollywood actors in the adult industry. Then it got deeper and darker as they progressed their hostaging of my entire brain and being through their inside out access to EMP government technology records.

Since 2018, they have had my brain neutralized in thought 24/7 while they running 10s of different voices through my brain using a very descriptive terrorist dialogue in which they state commands of global destruction 24/7 connected to the main cloud of the government grand your records. They have stated bombings, bomb threats, murder commands all around the US. As well as 24/7 insurrections such as the January 6th, White House insurrection in which was commanded by Donald Trump records... "10:55 PM

"Hijo de Donald Trump. We're going burn you down with prison riot technology." "Said us pigs. The Rockefellers and the Rothschilds pig's!." "Quote RR extremists within America." Currently at 600 thilmany rod Kaukana Wisconsin. 10:55pm." May 14th, 2020. The above is one of the most CRUTIAL statements known to the global government records. That was stated while I was at work just going through my daily routine being bombed tortured, tormented and terrorized with excruciating pain from the EMP gadgets and devices implanted into my head, vital organs anf entire being records. I was advised to write it down as such less than a week prior to the massive riot attacks based as propaganda then lead to the January 6th, 2021 White House insurrection records.

The above statement is only 1 of thousands of premeditated global attacks in which after it being recorded and reported within the government records, were followed as global military commands through global military command centers. "As well as New Orleans" according to one of the federal agents as we speak being connected on the record. Everything is being exposed through social media. One thing after another 24/7 congress-dispatch department. August 18th, 2023. 10:50-11:23 pm.

Each major attack globally has been commanded from inside of the US Marine corps base surrounding me 24/7 while they bomb and terrorize my entire being and being confessed through my brain connected to the federal government and local state records. I have requested protection many different times however, I have been neglected while being persecuted by local courts and law enforcements forcing me into court proceedings making my everyday tortures extremely worse due to the brain war tormenting process while the local state courts are fully aware of my circumstances and what I have been forced to endure to protect and serve without my necessary means of doing so without a single dime paid towards my behalf and everyone in connections profiting and racketeering through my every being as well as evidence.

I would like for the terrorist connections. Government officials, affiliates and military participants and connections, to be held liable and accountable for their extremist behavior within the US in all levels of the law. Most major leaders are current fugitives and being harbored through the court within the state of Wisconsin as we speak. Currently intertwined dimensionally within the city of Milwaukee Wisconsin as we speak surrounding me under EMP connections via blue tooth speakers connected to my brain. As well as with nuclear gadgets and devices being droned in and out of my center core throughout each and every single day droning and blowing up millions of explosives to my entire vital organs nonstop throughout each and every single day since early 2018 records. I require immediate protection including my immediate family being constantly at death threat and death attempted against each and every single day your honors. I would greatly appreciate your Blessings your honors....

UNITED STATES DEPARTMENT OF  
DEFENSE, et al.,  
*Defendants-Appellees.*

William C. Griesbach,  
*Judge.*

### ORDER

Jose Israel Leon sued several federal and state government agencies in two lawsuits in different judicial districts, in each case alleging a far-reaching conspiracy to torture him. The district courts dismissed his complaints as frivolous at the screening stage. We have consolidated these two appeals for disposition. *See* FED. R. APP. P. 3(b)(2). The two cases have some different defendants and were brought in separate districts, but the complaints are substantially similar, as are the decisions under review and Leon's briefs. Because Leon fails to develop any arguments, we dismiss the appeals.

Leon's lawsuits assert that the government and military "attached" to his brain in 2018 and that the defendants use technologies such as electromagnetic pulses and drones to control his brain and torture him, his family, and others. He also asserted that disease, terrorism, global warming, and other ills are part of this campaign. As relief in both cases, he asked for records related to the alleged misconduct, for criminal immunity, and for the defendants to stop torturing him and his family.

When Leon applied to proceed in forma pauperis, the district courts screened and dismissed the complaints. *See* 28 U.S.C. § 1915(e)(2). In the Western District, Judge Conley explained that Leon's complaint violated pleading rules and was "frivolous": Leon did not ground his "outlandish" and "far-reaching" allegations in fact and did not identify how he was harmed or any person who was responsible. Judge Conley gave a deadline for amending the complaint, but Leon let it pass and proceeded to appeal. In the Eastern District, Judge Griesbach concluded that Leon's allegations were "delusional" and "irrational," dismissed the complaint as frivolous, and denied leave to amend on the ground that it would be futile. Leon appealed this dismissal as well.

We must dismiss the appeals because Leon fails to provide any basis for overturning the district courts' decisions, as required by Federal Rule of Appellate Procedure 28(a)(8). *See Anderson v. Hardman*, 241 F.3d 544, 545–46 (7th Cir. 2001). His two “briefs” are in the form of long emails that repeat the allegations in his complaints. We construe pro se arguments liberally, but we cannot glean any ground for reversal from these filings, which do not mention why the complaints were found lacking or develop any arguments for reversal. *See id.*; *Shipley v. Chicago Bd. of Election Comm’rs*, 947 F.3d 1056, 1062–63 (7th Cir. 2020); *Klein v. O’Brien*, 884 F.3d 754, 757 (7th Cir. 2018).

DISMISSED
