Re: *John Does 1-2, et al. v. Hochul, et al.*, No. 24-1015

Dear Mr. Harris:

I represent respondent New York Presbyterian Healthcare System, Inc., in the above-captioned matter and write on behalf of all respondents. Pursuant to Supreme Court Rule 30.4, I hereby request a 14-day extension of time in which to file responses to the petition for a writ of certiorari in this case. The petition was docketed on March 24, 2025; each respondent waived the right to file a response to the petition; and the Court called for responses on May 5, 2025. Responses were initially due on June 4, 2025. Following a 30-day extension, responses are currently due on July 7, 2025 (the Monday following July 4). If the additional extension is granted, responses will be due July 21, 2025 (a Monday).

Counsel for respondents Trinity Health, Inc.; Westchester Medical Center Advanced Physician Services; Kathy Hochul, in her official capacity as Governor of the State of New York; and James McDonald, in his official capacity as Commissioner of the New York State Department of Health have authorized counsel for New York Presbyterian to file this request on behalf of their clients. Counsel for petitioners have stated that petitioners do not oppose this request.

Should you need any additional information, please do not hesitate to let me know.

Yours sincerely,

Liza Velazquez
