Re: ***Desiree Martinez v. Channon High*, Case No. 24-130**
Application for Extension of Time to File Brief in Opposition

Dear Clerk:

Pursuant to Supreme Court Rule 30.4, Respondent Channon High requests an extension of time in which to file her brief in opposition to the petition for writ of certiorari filed by Petitioner on August 2, 2024 and docketed on August 6, 2024. At present, the brief in opposition is due by September 5, 2024.

On August 20, 2024, I received an email notice from the New Civil Liberties Alliance that it intends to file an amicus brief in support of Petitioner's petition for writ of certiorari in this case no later than September 5, 2024.

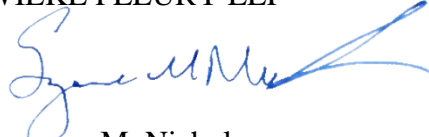

Respondent requests a 30-day extension of time in which to file her brief in opposition to the petition for writ of certiorari so that any and all issues and arguments raised by amicus curiae in support of Petitioner may be addressed in her opposition.

On August 20, 2024 I requested Petitioner's consent to this extension by email, and I have been advised by counsel that consent is given.

Very truly yours,
