Re: *Bourque v. Engineers and Architects Association, et al.*, No. 24-2

Dear Mr. Harris,

This letter serves as a reply to Petitioner's opposition to Respondent Engineers and Architects Association's request for a 30-day extension of time to file a response to the Petition in the above-referenced matter, and a notice of erratum.

Mr. Snowball's letter does not identify any prejudice that his client would suffer from an extension, and it includes several factual misstatements.

That being said, Mr. Snowball does correctly note that September 1 obviously cannot be the date that my jury service is set to begin. This was a typographical error in my initial letter. My jury service is in fact scheduled for the week of September 30, 2024.

Sincerely,

Bush Gottlieb
