No.24-248

Motion for Emergency Hearing

The Petitioner requests and Emergency Hearing before the Court for the following reasons:

Within Petition No. 24-248 and Petition No. 22-6482 concrete irrefutable evidence of the denial of Civil Rights exists because of States Rights Violations and the illegal editing and altering of Article I, the Constitutional Requirements for United States Representatives and Senators, by States Officers responsible for the Direct Federal Elections of Federal Officers of the Congress. These actions create an immediate clear and present danger to the Citizens of the United States and a possible Justification for Civil Unrest, Insurrection, or Revolutionary War if not immediately corrected prior to the 2024 November Federal Elections.

Respectfully submitted,

David John Thistle
