PETITION FOR REHEARING

I am filing this petition for rehearing of Court's denial of my petition because the CIA has reduced me to the level of a dog in the leashed. The CIA is sabotaging every step I make in life for anything that I would want to do to improve my life since 2003 to this day.

Going to college to study, some professors are obstacles until I drop the courses. Opting for a skills training, I faced problems. Everything that could be helpful to me is being sabotaged by the CIA. The CIA has whitewashed me to the point of isolation in the society.

Now, I work as a Uber driver, whenever I get a trip to a certain locations, the CIA also sends a GPS details about me to all women in the area to walkout to the roads side like a call girl in order to interfere with my attention. Some would walk out together with their boyfriends or husbands and their kids or dogs.

It is fun entertainment for them to witness the secrets from their government. The CIA is encouraging the American people to also take pleasure in the mistreatment of the weak people. Since the CIA began its stalking operation against me 21 years is ago, it has severely impacted my life because I am still struggling to do the best for myself.

The CIA is pursuing me tirelessly to witness my grave or the smoke of cremation because I am a free person from a community (the Bor community) that has

been destroyed completely . Their land is now a huge forest for wild animals and birds of the air.

Therefore, I appeal against the Supreme Court denial of my petition and ask this Court to reconsider looking into this matter in order to safe my life from this CIA mob justice for no crime committed.

Respectfully submitted,

Samuel Pech
