Re: *Isaacson v. Meta Platforms, Inc., et al.*, No. 24-259

Dear Mr. Harris:

I am counsel of record for respondent Meta Platforms, Inc., in the above-captioned case. I am writing to request a 30-day extension of time in which to file a response to the petition for a writ of certiorari. The petition was placed on the Court's docket on August 29, 2024, and on October 21, 2024, the Court called for a response to the petition. The response is currently due on November 20, 2024. Pursuant to Supreme Court Rule 30.4, Meta respectfully requests a 30-day extension of time, to and including December 20, 2024, in which to file a response to the petition. Petitioner does not oppose this request.

The additional time is warranted because I have several significant professional obligations during the time when the response to the petition would otherwise need to be prepared. An extension will also allow time to consider and, if necessary, respond to any briefs of *amici curiae* filed in this case.

Thank you for your consideration.

Respectfully submitted,

/s/ Christopher Chorba
