Re: *Michael Ashford, et al. v. Aviation Technical Services, Inc.*, No. 24-329

Dear Mr. Harris:

We are counsel for Respondent Aviation Technical Services, Inc. ("ATS") in the above-referenced case. Petitioners filed their Petition for a Writ of Certiorari on September 20, 2024. ATS's response is currently due on October 24, 2024.

We respectfully request, pursuant to Rule 30.4, a 29-day extension of time, to and including November 22, 2024, within which to file the response.

The requested extension is necessary due to the press of multiple deadlines in other matters in other courts over the coming weeks. Given these commitments and others, an extension of time is warranted to permit counsel to prepare a response that fully responds to the arguments raised in the Petition for a Writ of Certiorari.

Thank you for your attention to this matter.

Respectfully Yours,

Brett S. Venn  
*Counsel for Respondent,*  
*Aviation Technical Services, Inc.*
