Re: Jeffrey G. Thomas v. State Bar of Nevada no. 24-411

Dear Clerk of the Court:

I have received the respondent's request for a further extension of time dated January 2, 2025. I do not oppose it.

It does appear from the description in the State Bar of Nevada's letter that the corrections may not affect the text of my reply, but I would appreciate the favor of knowing that I have an extension of time to file the reply to the opposition until fourteen days after the corrected opposition is actually filed with the Court.

Sincerely yours,

Jeffrey G. Thomas

Jeffrey G. Thomas
