APPELLATE JUDGMENT AND SUPPLEMENTAL JUDGMENT

On August 30, 2023, the court issued an order denying plaintiff's motion to direct the clerk of the court to serve a copy of the petition for writ of habeas corpus on the Attorney General's office to cure the service deficiency. The court gave plaintiff time to request copies of the petition for .25 a page so he could serve the Attorney General's office. On September 9, 2023, plaintiff responded to the court's order and stated payment for the copies would be sent. However, as of the date of this order, no payment has been received. Therefore, the court on its own motion dismisses this petition for want of prosecution.

Petition dismissed.
