CERTIFICATE OF APPEALABILITY

A final order having been filed in the above-captioned habeas case, the Court, considering the record in this case and the requirements of 28 U.S.C. 2253, and the Supreme Court's decision in *Slack v. McDaniel*, 529 U.S. 473, 478 (2000), hereby finds that:

The Certificate of Appealability is **DENIED** because the applicant has failed to show that jurists of reason would find it debatable whether the district court was correct in its procedural ruling.

THUS DONE AND SIGNED at Monroe, Louisiana, this 25th day of June 2024.
