RE: No: 24-5421 Petition for a Habeas Corpus

Problem - On Oct 7, 2024 Order of Dismissal
(see-enclosed letter)

Att: Chief Judge John Roberts,

Sir, I hereby ask you, the Chief Judge to
review the denial of my Petition above.

I feel the denial was based on bias
and prejudice, regarding the subject.

You all handle cases like Roe v Wade,
Trump cases, a lot of high profile issues.

It's obvious, (if) Title 18 criminal code
and enrolled bill rule - both, were passed
without a quorum, it makes them [both]
invalid. Anybody and everybody and myself,
that has been prosecuted under Title 18
(1)

Since 1947 to date, has claims against the U.S. Government.

I was detained-prosecuted-convicted-sentenced under Title 18. The U.S. Government lacked jurisdiction - to do so.

Please review my Petition and all exhibits, and see all the High Profile people, backing this.

See: BOP Directors email to all BOP's, he entered in the cover-up conspiracy.

See: Enclosed U.S. Supr. Ct. letter, dated 10/7/24'

#1 - I have been indigent since 2008 to date, no money, no job, stage 4 terminal cancer. (It should not be denied)

#2 - Habeas Corpus dismissed, my claims are
(2)

legit, genuine, and valid, esp: with all the proof and exhibits. (I feel it was denied under bias and Damage Control).

#3 - They say I repeatedly abuse the Courts process. (Anything I have ever filed was True, with support to back it.)

This issue of Title 18 has been on-going since 1947 to date, it must be heard, and corrected. I have Constitutional Rights and Due Process of Law, I ASK to be heard, 100's of thousands of x-imates since 1947 deserves to be heard.

I ASK you to reconsider this denial, and allow my Petition to proceed.

I will be out soon, I will pursue the matter further. Please advise

Re: In Re Tiran R. Casteel
No. 24-5421

Dear Mr. Casteel:

The Court today entered the following order in the above-entitled case:

#3 The motion of petitioner for leave to proceed *in forma pauperis* is denied, and the petition for a writ of habeas corpus is dismissed. See Rule 39.8. As the petitioner has repeatedly abused this Court's process, the Clerk is directed not to accept any further petitions in noncriminal matters from petitioner unless the docketing fee required by Rule 38(a) is paid and the petition is submitted in compliance with Rule 33.1. See *Martin v. District of Columbia Court of Appeals*, 506 U. S. 1 (1992) (*per curiam*). #1 #2

Sincerely,

Scott S. Harris, Clerk
