On March 11, 2024 the State Bar took my license to practice law away within days. That is my sole source of income. I had my own practice since 2001, except for the 3 years the State Bar suspended me. I was going to trial in April on a contingency fee case which settled due to my suspension and I was not paid my contingency fee. Also, I could not file a reply in support of fees on another case I had won for a client due to the interim suspension and she lost the fee award which I was supposed to be paid from. The State Bar has been economically oppressing me for years.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: August 20 , 2024
