Motion for Leave to File for Re-Hearing of
Case No. 24-5731 & 24-5732

Before the United States Supreme Court is
a Motion for Leave to File for Re-Hearing. The above
Case are Two (2) Writ of Prohibition that was
Docketed in the Court on October 9, 2024. Juris, Foster is giving the Court Permission &
Authorization to have the Hearing for the above
Cases. It says in the U.S. Supreme Court
Rules Part IV, 17.3 The initial pleading shall be
preceded by a Motion for leave to file, Also Part V,
21.2(a) Says: A Motion in any action within the
Court's original jurisdiction shall comply with Rule

17.3. This action is Res - This forms an object,
Subject-Matter and Status of Rights. These
Rights are Substantive 28USCA 2072(b). The
Court's original Jurisdiction under Art. III of U.S.
Const. and 28 USC 1251 and U.S. Const. Amend 11 is
to give the Court the Power to act. So Through this
Motion to leave to File 2, Sui Juris, FOSTER,
Gives the U.S. Supreme Court Authorization in
this Re-Hearing.

Motion For Disposition of a Petition For Re-Hearing For
Docket No: 24-5731 ; 24-5732

Before the United States Supreme Court is a
Petition For Re-Hearing, On 12-16-24 The Court
entered a One (1) word Denial of a Writ of
Prohibition in the above Case Numbers, Sui Juris,
Foster Recieve the order on 12-26-24 and is asking
for a Re-Hearing, The (1) one word Denial violates
My 5th Amendment of Due Process Clause & 8th Amend
because this is CRUEL & UNUSUAL for any Court to
Not give a Reason of Denial. A Writ of Prohibition

is for the Preventing of a Court Not to Exceed its Jurisdiction over Matters it Can't Determine. The Writ of Prohibition that is before this Court that was Denied is two law-suits that contains only laws of the United States: U.S. Constitution. The District Court of the Western District of Louisiana is not in Authority to Decide anything Constitutional. Also Sui Juris, Foster is asking the Court for Amnesty. The Reason for this Amnesty is Probably the Same Reason for the Denial. In Part V. Motion and Applications Rule 21.2 says: A Motion in any action within the Courts original jurisdiction shall comply with Rule 17.3. Now 17.3 States: The initial pleading shall be preceded

by a Motion for leave to file. This is why I ask
for Amnesty. 1. I'm not a lawyer and I have not
been in school for what law I do know. 2. I
didn't know I had to give the U.S. Supreme Court
Authority. 3. I can never amount to the Women's
Men of the U.S. Supreme Court. A Motion for
leave to file means that I give the Court Permission
or Authorization to do something on the Record. In
this Disposition of a Petition for Re-Hearing will
have a Writ of Coram Nobis and has as a
Attachment. Also Sui Juris, Foster will install (3)
three Motion for leave to file, so the Court can have
Authorization. I will like to be Granted a

ERROR. This Re-Hearing should be granted on the Grounds that this is Equity. This matter is also Res and Preemption. My 14th Amend of U.S. Const. of the property Clause has been violated in Both of these Suit of 1983, along with other U.S. Constitutional Violation. Please Allow me to place the Motion for leave to file in these two Case NO: 24-5731 ; 24-5732 and Please inform me if I forgot anything else. This is My Substantive Right of Due Process and the Duty of the Court to act.

4. I. Sui Juris: Jeremy D Foster have given the Court Authorization.
