RICKY W. DIXON,

SC 2024-0730

MOTION TO SET-ASIDE / RELIEF FROM
JUDGMENT, DECREES, OR ORDERS

Pursuant to Florida Rules of Civil Procedure Rule 1.540(b) Sammy Gibbs #580345 seeks an order to set-aside/relief from judgment, decrees, or orders. That are inconsistent with DUE PROCESS.

The August 12, 2024 order mistakes the "inapplicable" rulings in Denson v State 775 So.2d 288 and Breedlove v State, 595 So.2d 8 to apply to the "unique circumstances" presented by Mr. Gibbs warranting review on the merits. The trial Judge illegally sentenced Mr. Gibbs while presiding in a disqualified status.

Code of Judicial Conduct Canon 3 E (1) A Judge SHALL disqualify himself or herself in a proceeding in which the Judge's impartiality might reasonably be questioned, including but not limited to instances where (d) the Judge or the Judge's spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person: Judge W.L.Bailey was at the time of trial and sentencing related within the third degree by blood to Amaziah Peacock the victim's grandfather. Through due diligence it was discovered on www.littletownmaet.com the family history of the Bailey and Peacock families. This web sight was not in existance when Mr. Gibbs

direct appeal was filed; NOR did this sight exist when MR. Gibbs' 3.850 motion was filed.

To hold that the procedural bar that applies to Denson " (who argued illegal sentence on Habeas Corpus) ". Breedlove's " (Habeas claim was ineffective assistance of counsel) " applies equally to MR. Gibbs claim of illegal detention. Would eviscerate the Petition For Writ of Habeas Corpus established in Article 1, Section 13 of Florida Constitution and result in a manifest injustice to the Gibbs family.

The new information of blood relations coupled with Judge Bailey naming nine (9) members of the Peacock family first and last name from the bench. Undermine every possible argument of Judicial neutrality where only one member testified during trial. Florida Law is a Judge SHALL be disqualified to act in any cause in which a person related by consanguineus or affinity within the third degree is a party. Due Process has always been understood to require a trial before an impartial decision maker. Mr. Gibbs has been denied the basic requirements of DUE PROCESS. Judge Bailey Refusal to recuse himself exhibit personal bias and prejudice, that are unethical and renders Gibbs' detention illegal.

Knowing the blood relationship between Judge Bailey and the Peacock family. Judge Bailey had a Constitutional and ethical duty to recuse himself. All orders of Judge Bailey are Void. If the DUE PROCESS guarantee is to have an meaning the court must vacate its' mistaken prior order procedurally barring the GREAT WRIT OF HABEAS CORPUS, now that Mr. Gibbs has established kinship between Judge Bailey and the opposing party. Judge Bailey was without jurisdiction to impose this illegal detention order. Which exceed the life-qualified Jury's recommendation. Judge Bailey's failure to adhere to Florida's Law of Mandatory Recusal

has resulted in an unconstitutional loss of liberty without DUE PROCESS of law. Habeas Corpus should be granted to correct this manifest injustice that has been suffered for thirty-eight (38) years. Habeas Corpus is the only available vehicle in state Court to challenge this illegal detention.

RELIEF SOUGHT is immediate release from the illegal detention order entered without subject matter jurisdiction that was lost due to consanguineous relationship within the third degree between Judge Bailey and the Peacock family.

UNDER penalty of perjury, I swear or affirm that I believe the facts I have stated are true.
