(U.S.C.A) No: 24-1935

Ron Neal et al- RESPONDENT

On Petition for The Rehearing of an order denying a Petition for a writ of Certiorari to
the United States Court of Appeals for the Seventh Circuit

((Petition for Rehearing))

Ron Neal, Represented by; David E.Corey
Indiana Government Center South, 5th Floor
302 West Washington Street
Indianapolis, In 46204-2770

Comes now a motion brought according to rule 21 and though rule 44 and
presented to the Supreme Court in good faith on my part, the petitioner, Torrence
Belcher, pro se.

I am asking this court to order the Indiana State of Michigan city prison to
invalidate this bogus charge. To stop obstruction justice and to stop treating me with a
deliberate indifference! My reputation has been ruin and my character has been
defamed over and over and over again! These allegation against me aren't allegation at
all, but **absolute lies!** Conjured up with malice intent for retaliation purposes. I DID
NOT DO THIS! And there is no evident to support these lies. 1. The camera evidence is
inconclusive, 2. the DNA never existed, and 3. the DHO made false and misleading
statements!

How is all nine of you judges gone sit there and let these self-righteous
hypocrites' attempt to kill me with these lies?? How did this petition make it to the
highest court in God's country and no justice was found?? This is a perfect example of
the corrupt filth that amounts to the scum of the earth we consider our leaders in this

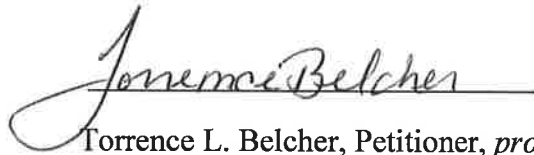

country! You all should be ashamed of your selves. These charges should be invalidated already? I pray you grant me, Torrence Belcher, the petitioner, pro se, the review and relief I so rightly deserve or become worthless trash in my eyes!
