**O R D E R**

Chad Malone has filed a notice of appeal from the denial of his petition under 28 U.S.C. § 2254 and an application for a certificate of appealability. We have reviewed the final order of the district court and the record on appeal and find no substantial showing of the denial of a constitutional right. *See* 28 U.S.C. § 2253(c)(2).

Accordingly, Malone's request for a certificate of appealability and his request to proceed in forma pauperis are denied.
