*Re: Li, Lanlan v. Fresenius Kabi USA, LLC, SC 24-623
Request for Extension of Time to Respond to Writ*

Dear Mr. Harris:

Please be advised that I represent Respondent Fresenius Kabi USA, LLC in the above matter. On December 3, 2024, Petitioner Lanlan Li filed her Petition for Writ of Certiorari with the Court. Any brief filed by Respondent in response would therefore be due on January 6, 2024. Pursuant to Rule 30.4, Respondent respectfully requests that the time for filing a response be extended by 30 days, to and including February 5, 2025.

This is respondent's first request for an extension of time to file a response. Good cause exists for the requested extension. I am not currently a member of the Supreme Court of the United States Bar. Respondent understands that, at the time that the response is due, an attorney who is a member of the Bar will need to file it. I am preparing an application for admission to be filed in advance of the response. The requested extension is necessary to ensure Respondent and its counsel have an adequate opportunity to review and respond to the Petition for a Writ of Certiorari in light of these circumstances and better enable the preparation of a response that would be most helpful to the Court. There are no circumstances which necessitate a speedy ruling on the Petition.

Accordingly, respondent respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 30 days, to and including February 5, 2025.

Thank you in advance for your consideration.
