GRACE WILSON MARSHALL

PETITIONER

BENJAMIN RYAN CAUDILL

RESPONDENT

AFFIDAVIT IN SUPPORT OF MOTION TO PROCEED IN FORMA PAUPERIS

- ADDITIONAL DETAILS

ITEM #9

1. Petitioner states that; when the orders and warrants listed in Item#12 are VACATED, and upon her children J.N.C. And F.E.C. Restored to her custody, she will be able to focus and acquire more business in her Cybersecurity consulting business, and also in her Chaplaincy Leaders Ministries - for missing children and persons desirous of Spiritual Care – on the streets, under bridges, in the train/subways, where ever a soul resides.
2. Petitioner anticipates that her expenses will also increase when her children are Restored to her Custody, and that she will be once again able to fully support her children, as she has always done since 2000 until 2021 – before the Respondent stole J.N.C. And F.E.C. from Petitioner, and usurp her children's and Petitioner's life.

ITEM #12.

1. In July 2021, the KY CHFS Fayette County Child Protective Services falsely alleged and place a child abuse charge of *Parental Alienation* against Petitioner *solely* on their unscientific non-medical 'theory' - Parental Alienation – for seven(7) years; this charge has resulted in and continue to result in no employer willing to hire Petitioner, based on that buffoonery charge of Parental Alienation – under the guise of Child Abuse and Neglect charges. Petitioner loves children, and enjoys working with children, and recently applied for a job, but was denied same, believed on account of the “parental alienation” charges that the Fayette CPS has placed against her.
2. Petitioner is a proud United States citizen, whom voted in the 2020 Presidential election; and has never participated in the election of any other nation; yet, the Respondent and the Fayette Trial court in August 2021 issued a KY EPO against Petitioner based on her Jamaican nationality, and thereafter circa July 2021 converted same into an instituted DVO against Petitioner based solely on her Jamaican nationality during the final divorce hearing, Petitioner believes that the DVO has hampered her ability to get lucrative contracts and or jobs, as she has applied to many jobs, and contracts but does not hear back.
3. The United States Constitution was established to protect *any* American Citizen or person from being criminalized because they just so happen to be born in Jamaica, or any other

foreign nation, outside of the United States. Yet, circa November 2021, the Respondent and the Fayette Trial Court issued, and still have present within the systems, outstanding against Petitioner - a bench warrant of arrest. It is believed that because that bench warrant is present and active within the criminal systems, though Petitioner has applied to over hundreds of jobs since 2021, no employer has been willing to hire Petitioner. The warrant is crafted under various stances: one is child support: Petitioner has not been able to get sufficient work, due to the arrest warrant in the systems against her, the warrant was issued in-part by the court because Petitioner cannot afford the \$1,600/month is child support that the Respondent is demanding of her; albeit because of the DVO, the Child Abuse charge and the Warrant of Arrest, and all the court wranglings with Respondent, as he continues to block her from her children; Petitioner has not been able to find sufficient job opportunities, since 2020.

4. The Respondent and the Fayette RRD are believed to have also placed various orders from that Trial court within the Unemployment Insurance systems of both KY and NH, including the NH State Welfare systems to prevent Petitioner from accessing any welfare services.
5. After Petitioner was Granted a RELOCATION Order to Relocate to NH, in September , 2020; with her four(4) children including J.N.C and F.E.C, the Respondent hired a nefarious Fayette RRD counsel, and then began a sleuth of continuous activities and wielding in the KY Fayette Trial Court, and the NH Dover Trial Court. Petitioner spent all her savings and credit cards on hiring lawyers in both KY and NH – spending over \$75,000 on twelve(12) different attorneys, to protect her children from harm, yet yielding nothing. Petitioner has over \$35,000.00 in credit card debits as a result of having hired those lawyers.
6. Petitioner believes that one day soon, when her children return to her will be able to move forward into once again been lucrative with her skillset.
7. Petitioner sometimes volunteers in a Food pantry serving those in need, and sometimes prepares some of the food and feed those in need on the streets, where ever the ministries take her; as her loss of her children, has connected her even more in solidarity with those likewise temporarily indigent as herself.

Sincerely;

H.E. Chaplain, Grace Wilson Marshall, DKA
