APPENDIX B

This is a show of what the Chief Judge, now senior Judge Timothy Corrigan wrote in saying why I did not meet relief and why he would keep the case closed without prejudice, based on federal rule 60(B).

UNITED STATES DISTRICT COURT  
MIDDLE DISTRICT OF FLORIDA  
OCALA DIVISION

EDDIE SCOTT,

Plaintiff,

v.

CRYSTAL BLANTON, Detective,  
and CITY OF OCALA, FLORIDA,

Defendants.

Case No. 5:24-cv-139-TJC-PRL

**ORDER**

The Court dismissed this case without prejudice for failure to state a claim on which relief can be granted and under the Younger abstention doctrine. Docs. 10, 13. Plaintiff Eddie Scott now moves to reopen the case. Doc. 15; see also Doc. 16 (supplement). The Court construes the motion as one under Federal Rule of Civil Procedure 60 for relief from an order. Because Scott satisfies none of the grounds for relief under Rule 60(b), the Court denies the motion, Doc. 15. The case remains closed.

**DONE AND ORDERED** in Jacksonville, Florida, the 30th day of August, 2024.

APPENDIX C

This shows that I wrote a motion and letter to the US 11<sup>th</sup> Circuit Court of Appeals. They received and documented both the letter and motion, but still, I have not received a judgment. The writ of mandamus has been delayed even though the evidence is plausible and factual on its face. According to rule 4l, the petition must stay no more than 90 days, it's going on for 120 days now and I'm not asking for an extension. The petition has been delayed and justice delayed is justice denied.

Plaintiff-Appellant

Lower tribunal case No: 5:24-CV-00139

v.

Case No: 24-12908

Honorable Timothy J Corrigan (Chief Judge)

Defendant-Appellee

Dear Honorable Court:

Letter to the Court

I have sent in a writ of mandamus in which this Honorable Court filed on 9/9/2024. I also served the defendant which was received and filed on 9/12/2024. I have sent alongside the writ of mandamus a CIP form and also an informa pauperis which shows my Chase bank account closed with a negative balance due to these false charges. With the writ of mandamus, I have shown plausible and factual evidence that I was acquitted/not guilty at a jury trial on 8/1/2024. On October 11, 2024, I sent a motion for resolution with a CIP form to this honorable court and called to check if it was received on October 28, 2024, and it was. Alongside this letter, I will send three more copies of the writ of Mandamus and three more copies of the motion for resolution, although I wasn't informed that I would do so in good faith according to rule 26.1(a).

I declare (or certify, verify, or state under penalty of perjury that the foregoing is true and correct. Executed on 11/18/2024.

Signature Eddie Scott 28 USC 1746.

Lower tribunal case No: 5:24-CV-00139

Plaintiff-Appellant.

Case No: 24-12908

v.

Honorable Timothy J Corrigan (Chief Judge)

Defendant-Appellee

**Motion for Resolution**

Eddie Scott comes Now as a Pro-Se representative pursuant to 28 US 1654 regarding a writ of Mandamus that was filed with this Honorable Court on 9/9/24. I'm seeking a resolution for the petition. I have sent with the writ of Mandamus a informa pauperis in pursuant to 28 US 1915 attached to it was my Chase bank account statement which is now closed with a negative balance due to these false charges and a CIP form. I'm seeking the Honorable Court to grant the writ of Mandamus so I can have my case reopened to petition the government for redress. The evidence that I sent in is factual and plausible on its face because I was acquitted by a jury trial on 8/1/24 proving that I have enough facts to state a claim for relief. The state proceedings are done, and the case has ended in my favor. According to federal law 28 US 2266, the court of appeals must act on the petition of writ of Mandamus no later than 30 days after the filing of the petition and it's been over 30 days. I pray that the Honorable Court grants the informa Papuperis and writ of Mandamus so I can exercise my constitutional rights.
