My employee began to view me as a troublemaker and did not want me Associated with their companies and began to retaliate against me that lead to my termination.

CONCLUSION:

Rule 45.1

How can the President of the United States be fair and impartial in a case where he is on the witness list to that proceeding and a staunch political ally and friend to U. S. Senator Lindsey Graham also on the witness list? The Court should grant the Petition for Rehearing with the new laws challenging the Powers of the President and his Justice Department over the United States Supreme Court. The Petitioner request to have a Rehearing in the above proceeding.

I declare under penalty of perjury the foregoing is true and correct.
