Re: Johnson v. First District Appellate Project, et al.
Lower Court Case No.: A168243
Supreme Court Case No.: 24-7185

Dear Clerk of Court:

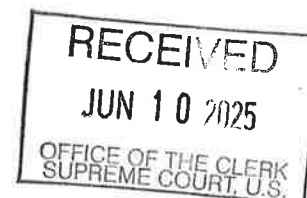

This correspondence is to request a 30-day continuance of the deadline to file a brief in opposition to Petitioner Wayne Johnson's petition for a writ of certiorari in the above entitled case.

My office represents respondents Mark Duane Johnson, William J. Capriola, James Bradley O'Connell and the First District Appellate Project. Currently, a brief in opposition is due June 11, 2025. This request could not be made sooner because my office did not receive the docketing notice until Monday June 2, 2025 and I did not personally receive the notice until Wednesday June 4, 2025 because I was traveling out of state.

I am requesting the continuance because I am not admitted to practice before the Supreme Court of The United States. I will either seek admission to the Supreme Court Bar or retain counsel that is admitted.

I spoke with Wayne Jonson and based upon the forgoing, he does not oppose a 30-day continuance from June 11, 2025 to July 11, 2025.

If you have any questions, please do not hesitate to contact the undersigned.
