I am technically married, but have been separated from my spouse for over a year and we do not share finances. I was a stay-at-home mom and just started working again last year (September 2024) and am trying to get back on my feet. I recently purchased a vehicle, but before that I was spending over \$1,000 per month on Uber to get to/from work. I am now saving up for a more reliable vehicle as I am not sure how much longer my current one will last. Thank you for considering my application.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on February 28, 2025
