If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case. The time required and financial burden of preparing this Court's required 40+ bound copies represent significant hardships. My son and I continue to be irreparably harmed of permanently lost parenting time due to the loss of the court's jurisdiction to modify orders before my son reached the age of majority. Declaratory relief remains critical to establish the void nature of these orders and support future remedies. This Court's expedited consideration of IFP status presents one of the last avenues for meaningful judicial review of the systemic failures that have occurred throughout this case.

I declare under penalty of perjury that the foregoing is true and correct.
