Re: Request for Extension of Time to Respond to Petition for a Writ of Certiorari
Cartaya v. Travelers Indemnity Co. (No. 24-738)

Dear Mr. Harris:

I represent Respondent Travelers Indemnity Company (“Travelers”) in the above-referenced case. Counsel for Petitioner Mr. Cartaya filed his Petition for a Writ of Certiorari on October 15, 2024, and caused it to be placed on the docket on January 13, 2025, making Travelers’ response brief due on Wednesday, February 12, 2025.

Counsel is seeking to be admitted to this Court and is requesting an additional 30 days to respond to Mr. Cartaya’s Petition, up to and including Friday, March 14, 2025. Counsel for Mr. Cartaya does not oppose this request for an extension.

Very truly yours,
