12. Provide any other information that will help explain why you cannot pay the costs of this case.

This case concerns the wrongful retention of my children in the United States, and subsequent custody & divorce proceedings which are still ongoing, that have financially decimated me and cost me my well-paying job, which I have not been able to replicate, especially since what I trained for and developed proficiency in, has been replaced by AI software tools. My financial obligations are far greater than they've ever been in my life, even while going through the challenges of divorce and sudden loss of custody of my children

I declare under penalty of perjury that the foregoing is true and correct.
