RE: Robert R. Turner v. Haron W. Jordan, et. al.
S.Ct. No. 24-765
Consented Request for Extension of Time to File Response to Petition

Dear Mr. Harris,

I represent the Respondents in this case. The Petition for Writ of Certiorari was filed on January 17, 2025, and, according to the online docket and pursuant to Rule 15.3 of the Rules of the Supreme Court of the United States, a Response is currently due on February 18, 2025. Pursuant to Rule 30.4, Respondents respectfully request that the time for filing a Response be extended by 30 days, to and including March 20, 2025.

This is Respondents' first request for an extension of time to file a Response, and there are no circumstances that necessitate a speedy ruling on the Petition. Good cause exists for the extension due to counsel's numerous other professional commitments and deadlines that will prevent timely compliance with the current deadline. The requested extension is also needed to ensure Respondents and their counsel have an adequate opportunity to review and respond to the Petition in a manner that will be most helpful to the Court.

Accordingly, Respondents respectfully request that the time for filing a Response to the Petition for Writ of Certiorari be extended 30 days, to and including March 20, 2025. Petitioner's counsel, Jared J. Burns, has informed the undersigned via email that Petitioner does not object to this first extension.
