VIA PAPER FILING

The Honorable Scott S. Harris  
Clerk  
Supreme Court of the United States  
One First Street, N.E.  
Washington, D.C. 20543

Re: *Southern California Edison Co. v. Orange County Transportation Authority*,  
No. 24-775

Dear Mr. Harris:

I represent Southern California Gas Company in this matter. Southern California Gas Company, like petitioner Southern California Edison Co., was a plaintiff-appellant in *Southern California Edison Co. v. Orange County Transportation Authority*, No. 22-55498 (9th Cir. March 13, 2024).

I write to notify the Court that Southern California Gas Company maintains its interest in the outcome of the petition and supports granting the petition for the reasons stated therein. Should this Court grant the petition, Southern California Gas Company intends to seek all available relief. See S. Ct. R. 12.6 ("All parties to the proceeding in the court whose judgment is sought to be reviewed are deemed parties entitled to file documents in this Court."); *Black v. United States*, 561 U.S. 465, 468 n.1 (2010) (noting that a respondent filing a letter in support of a petitioner "qualifies for relief under this Court's Rule 12.6").

Respectfully submitted,

Cranston J. Williams
