Re: *Chevron USA Inc., et al. v. Plaquemines Parish, et al.*, No. 24-813

Dear Mr. Harris:

I write to inform the Court that petitioner Burlington Resources Oil & Gas Company ("Burlington Resources"), a subsidiary of ConocoPhillips Company (which, in turn, is wholly owned by the publicly traded corporation ConocoPhillips (NYSE: COP)), is withdrawing from the above-referenced petition for certiorari. Going forward, neither Burlington Resources nor ConocoPhillips will be a party to (or have any other involvement in) the above-referenced case.

Sincerely,

Michael J. Mazzone
Counsel for Petitioner Burlington Resources
