MICHAEL PRETE,

v.

STATE OF RHODE ISLAND

Respondent.

On Petition For Writ Of Certiorari to the Rhode Island Supreme Court

**PETITIONER'S APPLICATION FOR EXTENSION OF TIME TO FILE
PETITIONS FOR WRIT OF CERTIORARI**

Michael Prete
782 Boston Neck Road
Narragansett, RI 02882
May 8, 2025

For extraordinary circumstances (beyond Petitioner's control) briefly discussed herein, Petitioner respectfully requests, in accordance with Rule 13.5, an extension to file his Petitions for Writ of Certiorari.

Petitioner's seeking review by this Court ("SCOTUS") of the R.I. Supreme Court's ("RISC") 1/30/25 dismissal orders (Appendix A & B). Per Rule 13.1, Petitioner's deadline to appeal to SCOTUS is 6/5/25 (RISC denied rehearings on 3/7/25 (Appendix C & D)). SCOTUS has jurisdiction under 28 U.S.C. §1257.

The reasons for this request include, among other things, Petitioner (who's acting *pro se*) not only being forced to fend off unrelenting illegal efforts by the State, etc. to have Petitioner arrested (for frivolous matters (underlying RISC's decision)) (including an OPEN frivolous bench warrant for Petitioner's arrest) but, because of the State, etc., since RISC's 3/7/25 orders, Petitioner's been bombarded with having to, among other things, file at least 28 submissions in these matters in three different courts with MORE filings (not including Petitioner's TWO forthcoming SCOTUS appeals regarding RISC's 1/30/25 orders) to come. This also doesn't include other things such as, but not limited to, on 5/1/25 Petitioner pressing charges against government employees, etc. for the federal felony crimes, etc. continuing to be committed in these matters against Petitioner.
