Respondents

APPLICATION FOR EXTENSION OF TIME IN WHICH TO FILE A  
PETITION FOR WRIT OF CERTIORARI

**Honorable CLARENCE THOMAS, Associate Justice of the Supreme Court  
of the United States, and Circuit Justice of the United States Court of  
Appeals for the Eleventh Circuit  
Supreme Court of the United States  
1 First Street NE  
Washington, D.C. 20543**

**May 22,2025**

**Dear Justice Thomas,**

**Petitioners respectfully request a 60-day extension for filing a Petition for  
a Writ of Certiorari, to and including August 1, 2025**

**The current deadline is June 2, 2025, further to a denial of Petitioners'  
Petition for a Writ of Certiorari to the Florida Supreme Court, on March 4,  
2025 (case SC2025-0293).**

**Petitioners' appeal was denied by the Florida 5th District Cour of Appeals  
(case number 5D2023-3200),**

**The 18th Circuit Court of Florida ruled in favor of Petitioners'-Defendants  
Motion to Dismiss (Case 05-2010-CA-049846 on May 27, 2015, The same case  
was refiled, in the 18th Circuit Court of Florida), which this time ruled in  
favor of Respondent's claim (case 2016 CA043164). The instant case  
involves a foreclosure action wherein a defective Final Order of  
Foreclosure was issued, causing all subsequent documents (sale, title, writ  
of possession) to be defective as well .**

Illegal seizure of real and personal property, without due process or compensation of any kind. A Writ of Possession, bearing an invalid address was executed on August 8, 2024, and Petitioners were removed from the property by armed law enforcement under color of law and threat of arrest for trespassing. No legally required notice was afforded, neither was hearing allowed.

Worse, despite our son, Luke, requiring daily life-sustaining dialysis care (kidney failure), dialysis at home, his dialysis machine was disconnected and his boxes of medical solutions were thrown by the roadside.

Respondents are based in Florida and Maryland. Nearly all of Petitioners personal tangible property was removed by Respondents without agreement or authorization but the rest thrown by Respondents without a warrant. Without his life-sustaining medical dialysis equipment, Luke has been forced to undergo a number of emergency medical interventions and to delay any transplant procedure.

Petitioners were left on the street, blocked from saving their belongings. Frozen and fresh food was thrown out, and clothing strewn about or put in dumpsters. Deprivation of food, clothing, shelter and medical care are an inhumane punishment, in a civil case..

Both Mr. Kenneth and Luke Pickens have previously filed pro-se Petitions for a Writs of Certiorari in the U.S. Supreme Court and regret this request for a delay in filing this time.

We thank you for your consideration of our request for 60-day filing extension, to and including August1, 2025.
