MOTION FOR A CONTINUANCE TO FILE A WRIT OF CERTIORARI

NOW COMES, Robert Gene Rega, Petitioner *Pro Se*, hereby moves this Honorable Court for a 45 day continance pursuant to Supreme Court Rule 30, and states the following in support thereof:

1). This court has jurisdiction to hear this appeal; Writ of Certiorari, pursuant to 28 U.S.C. §§1254(1). Because the Fourth Circuit Court of Appeals issued its final order dismissing Petitioner's appeal on March 13, 2025, at (Doc-45), this motion is timely and properly before the Court.

2). Petitioner avers that he intends to file a Writ of Certiorari to the final order of the Fourth Circuit Court of Appeals which summarily dismissed of Petitioner's appeal without an opinion. See, Fourth Circuit Court of Appeals docket as cited above, at (Doc-45).

3). Petitioner is incarcerated at SCI Houtzdale, in Houtzdale Pennsylvania. As a result. Petitioner's allocated time in the law library to prepare documents is extremely limited to one hour, three times a week.

4). Petitioner avers that the above allocated time is constantly inturpted

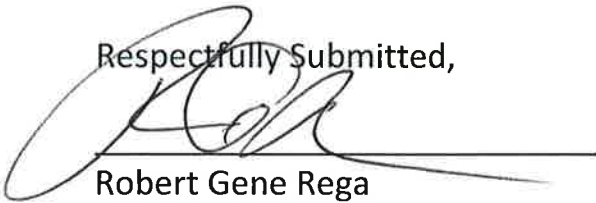

due to prison lock downs due to violent incidents in the facility, staff call-offs, and prison searches, thus dramatically cutting Petitioner's time to compile documents.

5). As a result of the above, Petitioner is in dire need of a 45 day continuance to prepare his Writ of Certiorari, as it is currently fifty-(50) percent done.

6). Petitioner avers he intends to file his Writ of Certiorari at the earliest possible time so as not to waste the courts times.

WHEREFORE, Petitioner prays that this Honorable Court will Grant a 45 day continuance.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'RGR', is written over a horizontal line. The signature is stylized with a large loop at the beginning and a long horizontal stroke extending to the right.

UNPUBLISHED**UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT**

No. 23-7246

ROBERT GENE REGA,**Plaintiff - Appellant,****v.****LORRAINE REGA SCOTTIE,****Defendant - Appellee.**

**Appeal from the United States District Court for the District of South Carolina, at Aiken.
Cameron McGowan Currie, Senior District Judge. (1:19-cv-00259-CMC)**

Submitted: March 11, 2025**Decided: March 13, 2025**

Before NIEMEYER, RICHARDSON, and BENJAMIN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Robert Gene Rega, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Gene Rega appeals (a) the jury's verdict in his pro se civil suit and the resulting civil judgment; and (b) the district court's orders denying Rega's postjudgment motions for a new trial, for relief under Fed. R. Civ. P. 59(e) and 60, and for a bill of costs.* Upon review of the record, we discern no reversible error. Accordingly, we affirm the civil judgment, as well as the district court's orders on Rega's postjudgment motions. *Rega v. Rega Scottie*, No. 1:19-cv-00259-CMC (D.S.C. May 5, 2023; Oct. 6, 2023; Nov. 9, 2023; & Dec. 1, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED

* Pending on our docket are Defendant's motion for service via First-Class mail and Rega's motion to strike Defendant's informal response. We deny both motions.
