V.

Arizona Attorney General et al.,

NO. 23-15962

This Court send all of my legal documents back in my filing of my writ of Certiorari stating that my filing were late in this case. I sent my request in January, February, March and April 2024, requesting this Court to send me the Motion For Leave TO proceed In FORMA PAUPERIS. The Arizona Department of Corrections Rehabilitation & Re-entry Paralegal Betty Ulibarri refused to download off the Court's Website the Motion For leave to proceed In forma PAUPERIS. Then the Access Legal Monitor for ADCRR to monitor the Paralegal Betty Ulibarri told me that she Lesa Purden would not authority the paralegal to down load the Supreme Court documents for me to file my timely writ of Certiorari and Lesa Purden is the legal ADCRR Access Monitor to make sure I get access to the court.

I filed grievances and Informals and got no relief from APPRA. Then in April of 2024, I did receive finally from this court the Motion for leave to proceed En Bona Pauperis documents that allowed me to file my writ of Coramari. So I quickly did my appeal and mailed it to this court. I sent all documents explaining that it was beyond my control and that I made efforts to obtain the Documents to file in this court

Now I am being punished by this court over the situation that I could not and was not able to control in this case. Its clear that APPRA staff played a major effort in prevent me from executing this appeal in this case.

Please accept my filing in this case, I had previously send to the Clerk document was not returned to me, so I am addressing the court in this letter. Please if the Clerk of the court have questions please call me (23 386 6160 Pacific time zone hours. Please docket my case.

Thank you

Jimmy Russell Kennedy
