OFFICE OF THE CLERK  
SUPREME COURT, U.S.

## DECLARATION & AFFIDAVIT

1. Under US Supreme Court Rule 40 (Veterans, Seamen, and Military Cases), a veteran suing under provision of law exempting veteran from the payment of fees or court costs, may proceed without prepayment of fees or costs or furnishing security therefore and may file for a leave to proceed on papers prepared as required by Rule 33.2. That means that Rule 38 (Fees) is wave and thus, no \$300 check required from the Pro Se Petitioner that qualifies for such a status.
2. I, Alejandro Evaristo Perez, am a US War Veteran from OIF 2003-2004 with multiple a DD Form 214 from US Department of Defense and a NGB Form 22, 20160628 (PDF-F) with a character of service "HONORABLE" from the Army National Guard. I am the Honorable US War Veteran, Pro Se Party, and US Army Officer (1LT) in the IRR, who will be resubmitting multiple military records in the hopes that Court finally honors the military awards and service of 1LT Alejandro Evaristo Perez, the Pro Se Petitioner. Such the Pro Se Petitioner's military documentation are multiple DD Form 214, his 1LT Promotion Orders, Military ID, awards, ORB, OERs, and more. In addition, the 9<sup>th</sup> US Circuit Court's PACER ECF/CM electronic system's case (21-15234) for SCOTUS case 21M120 and SCOTUS case 22-726 have the Pro Se Petitioner's military records like "Case: 21-15234, 08/09/2022, ID: 12512895, DktEntry: 27-1, Page 36 of 42", "Case: 21-15234, 08/09/2022, ID: 12512895, DktEntry: 27-1, Page 37 of 42", "Case: 21-15234, 08/09/2022, ID: 12512895, DktEntry: 27-1, Page 38 of 42", and "Case: 21-15234, 01/23/2023, ID: 12636008, DktEntry: 30-4, Page 4 of 4". The Pro Se Petitioner

will be attaching such documentation for the Court to finally enforce Rule 40 and avoid more unpatriotic Rule 40 violations like the SCOTUS 23-340 case and SCOTUS 23M2 case, which has soured relations. Therefore, the Servicemember Civil Relief Act would apply to the Pro Se Party. The Pro Se can provide multiple OER (Officer Evaluation Report DA FORM 67-9, OCT 2011) for details of service and last ORB (Officer Record Brief); however, the Social Security numbers include those of 1LT Alejandro Evaristo Perez's military superiors, which required privacy by law and the US Supreme Court tends to display this type of documents on their official website.

3. The US Supreme Court Judges violated its own SCOTUS Rule 40 multiple times in prior cases, such as SCOTUS 21M120 case, SCOTUS 22-726 case, SCOTUS 23M2 case, and SCOTUS 23-340 case. Therefore, the Pro Se Petitioner is kind enough to continue to request the reimbursement of his \$600 fees and requests an apology by all the US Supreme Court for such SCOTUS Rule 40 violations. The other option is a polite early retirement for the unpatriotic Federal Judges who are too proud and cruel to give an apology to the Honorable US War Hero. In case 21M120 and case 22-726, the Pro Se Petitioner requested "Imposing Martial Law" (ArtII.S2.C1.1.3.1) from US President Joseph Biden by informing The White House multiple time of such intention unpatriotic Rule 40 violations by the US Supreme Court and other failings. The Pro Se Petitioner shows his kindness to the US Supreme Court by with-holding from future request of "Imposing Martial Law" (ArtII.S2.C1.1.3.1) and ArtII.S2.C1.1.14 "Martial Law Generally". The Pro

Se Petitioner is still willing to give the US Supreme Court time at their own decide to apologize. Normally, apologizes are free; however, the token \$600 fee reimbursement would be a redemptive act, which adds credibility to any apology from the US Supreme Court Judges.

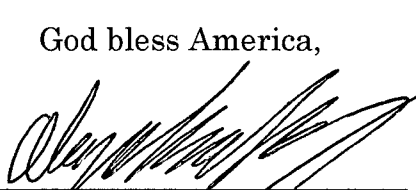

4. The Responders, the Fallen Judges, and their Responder's representatives were served pursuant to FRCP 4 in related-cases from lower courts within the respective times via 5<sup>th</sup> US Circuit Court's PACER ECF/CM electronic system, US TXSD Federal Court's PACER ECF/CM electronic system, US CACD Federal Court's PACER ECF/CM electronic system, email (ex. group mass emails), CACD and/or certified mail (ex. USPO Priority Mail). Thus, making the Responders and many Federal Judges aware of the "Imposing Martial Law" (ArtII.S2.C1.1.3.1) and illegal overturning of the only agreed-on caselaw of "Rossi V. Motion Picture Association Of America Inc., 391 F.3d 1000, 1007 (9th Cir. 2004)", and other filings.
5. The Pro Se Petitioner has and will updated any PETITION FOR A WRIT OF CERTIORARI to reflect the new realities, such as the multiple blatant violation of Rule 40, violations of Pro Se Friendly caselaw, docket mismanagement, and legal ruses until such US Supreme Court apology is provided and the \$600 fee is refunded for such an unpatriotic gesture and disregard for Military goodwill.
6. The Pro Se Petitioner is still pursuing a peaceful settlement the Responders (cheap unethical Disney Villains). Remedies like a formal apology by Responders, the resignation of the Fallen Judges, and the payment of \$29,744,550,000.

7. The Pro Se Petitioner reminds the additional IIED and more monetary damages due to additional Rule 40 Violations: "If the Supreme Court of the United States fails to enforce Rule 40 of its own SCOTUS rule booklet and illegally cashes the Pro Se Petitioner's USAA \$300 check, then, that additional case generate will raise the Total Award to \$32,448,600,000. Excel Spreadsheet with calculations were provided to the unethical Responders." Please comply. The Pro Se Petitioner do not want additional cases to create confusion nor further exposure of his personal military records to unethical audience (such as the Responders), even if profitable by an additional \$2,704,050,000.
8. The military records to the motion will only be provided to the US Supreme Court for the privacy, peace of mind, and security of the Pro Se Petitioner.

I have expressed this declaration as true and correct copy of this motion.

God bless America,

By:
