12. Provide any other information that will help explain why you cannot pay the costs of this case. I got into a car accident in February 2025 where the other driver was fully at fault. However, the insurance only covered a very small portion of the overall expenses. My vehicle is repaired but it is still at the repair shop after several weeks. The insurance declined to cover the cost for the repair using technicalities. I still have a rental vehicle since February 2025 which strains my limited budget. I currently have to work excessive hours to make ends meet. I declare under penalty of perjury that the foregoing is true and correct.

Executed on: June 28th, 2025
