ORDER

This cause is before the Court on Petitioner's Motion for Copies (Doc. 15). Petitioner alleges that she has an "appeal in the Supreme Court of the United States" and requests certified copies "of all the records filed [in] the above-styled case." (*Id.* at 1). She cites to 18 U.S.C. § 3662(b) and 18 U.S.C. § 2250 in support of the request.

On September 27, 2022, the Court denied the Petition for Writ of Habeas Corpus filed by Petitioner under 28 U.S.C. § 2241 and dismissed this case without prejudice. Section 3662(b) provides that, upon conviction of a defendant in a court of the United States, "the [C]ourt shall cause a certified record of the conviction or determination to be made to the repository." Since this case was not a criminal proceeding, section 3662(b) is not applicable.

Section 2250 provides that “the clerk of any court of the United States shall furnish to the petitioner without cost certified copies of such documents or parts of the record on file in his office as may be required by order of the judge before whom the application is pending.” Petitioner alleges that she has a proceeding pending in the Supreme Court of the United States. If so, the Supreme Court will direct this Court to provide applicable portions of the record.

Accordingly, it is **ORDERED** that Petitioner’s Motion for Copies (Doc. 15) is **DENIED**.

**DONE and ORDERED** in Orlando, Florida on June 22, 2023.
