

Office of the Clerk
Supreme Court of the United States
Washington DC 20543-0001

Date: 7/15/25 Extension of time

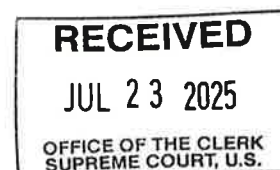

I, Larry Jordan is requesting an additional 60 days in lieu of the 90 days to file.

This is important that the 7th amendment to the United States Constitution guarantees the right to jury trial in Federal Court in which a civil case values in controversy exceeds \$20.00. It is my right as a citizen to have jury decide factual matters in which I was denied.

In certain civil lawsuits Lady as Justitia is symbolic as blind folded to evidence without bias or prejudice or favor,

Enclosed is the following documents

- A. A money order for \$300.00 to cover the court fees by rules 18.5.
- B. The order of Judgement
- C. The right to sue according to letter I received from the Equal Opportunity Commission

D.The Summons in which the courts did not enforce. My case was dismissed in which I was denied the 7th Amendment, therefore my case will come before the Supreme Court

I pray for relief as the Court seems just. I request that you grant me this request to file the Writ of Certiorari.
