Re: State of New Jersey v. State of Delaware  
No. 134, Original

Dear Mr. Lancaster:

The State of New Jersey respectfully requests an amendment of the case management plan to extend the deadline for depositions of fact witnesses from October 11 to October 20, 2006. We make this request based on the limited availability of two related Delaware witnesses, who will be out of the country between now and October 10, 2006. Delaware proposed one date within the existing schedule for each of these witnesses, but both dates were in conflict with pre-existing commitments of New Jersey counsel. We have conferred with counsel for Delaware, who have advised that they take no position on this request.

New Jersey does not request any other changes in the case management plan. We very much appreciate your consideration of this request.

Respectfully,

ANNE MILGRAM  
ACTING ATTORNEY GENERAL OF NEW JERSEY
