Re: *South Carolina vs. North Carolina*, No 138, Orig.
First Amended Case Management Plan

Dear Special Master Myles:

The parties have met and conferred regarding a First Amended Case Management Plan ("First Amended CMP"). As a result of that work the parties have reached agreement on a significant portion of the issues and language included in the First Amended CMP. With the permission of all the parties, I am enclosing an original and four copies of the Parties' joint proposed First Amended CMP. On issues for which there is no agreement between the parties, South Carolina's proposed language is set off in ***italic bold font highlighted in yellow*** and North Carolina's proposed language is set off in **underlined bold font highlighted in teal**. We look forward to discussing this matter in more detail at your convenience.

Very truly yours,

Mary L. Lucasse
Special Deputy Attorney General
