**RE: *South Carolina v. North Carolina*, No. 138, Original;
North Carolina's Progress Report No. 7**

Dear Special Master Myles:

As noted in previous progress reports, both North Carolina and South Carolina have served document requests. To date, numerous documents have been produced by both parties. Both States are continuing to retrieve documents and respond to the outstanding requests.

North Carolina and South Carolina have discussed the need for an agreement concerning the inadvertent production of privileged materials. The parties are continuing to confer with respect to this issue.

Sincerely,

A handwritten signature in cursive script that reads "Chris Browning".
