

04-1414 UNITED STATES V. GRUBBS

DECISION BELOW: 377 F3d 1072

LOWER COURT CASE NUMBER: 03-10311

QUESTION PRESENTED:

Whether the Fourth Amendment requires suppression of evidence when officers conduct a search under an anticipatory warrant after the warrant's triggering condition is satisfied, but the triggering condition is not set forth either in the warrant itself or in an affidavit that is both incorporated into the warrant and shown to the person whose property is being searched.
