The Chief Justice said:

"Today's orders of the Court have been certified by the Chief Justice, filed with the Clerk, and will not be announced orally."

APPEALS—SUMMARY DISPOSITION

No. 83-1320. Wesley K. Bell, Appellant *v.* Township of Eagleswood. Appeal from the Superior Court of New Jersey, Appellate Division. The appeal is dismissed for want of a substantial federal question.

No. 83-1479. Jake Ayers, Sr., et al., Appellants *v.* William Winter, et al. Appeal from the United States District Court for the Northern District of Mississippi. The judgment is vacated and the case is remanded to the United States District Court for the Northern District of Mississippi for entry of a fresh judgment from which a timely appeal may be taken to the United States Court of Appeals for the Fifth Circuit.

CERTIORARI—SUMMARY DISPOSITION

No. 83-1287. Charles G. Strickland, Jr., Warden, et al., Petitioners *v.* Amos Lee King, Jr. On petition for writ of certiorari to the United States Court of Appeals for the Eleventh Circuit. The motion of respondent for leave to proceed *in forma pauperis* is granted. The petition for writ of certiorari is granted. The judgment is vacated and the case is remanded to the United States Court of Appeals for the Eleventh Circuit for further consideration in light of *Strickland v. Washington*, 466 U.S. 668 (1984).

No. 83-5500. Nathan Solomon, Petitioner *v.* David Harris, Warden, et al. On petition for writ of certiorari to the United States Court of Appeals for the Second Circuit. The motion of petitioner for leave to proceed *in forma pauperis* is granted. The petition for writ of certiorari is granted. The judgment is vacated and the case is remanded to the United States Court of Appeals for the Second Circuit for further consideration in light of *Strickland v. Washington*, 466 U.S. 668 (1984). Justice Marshall would grant certiorari and set the case for oral argument.

No. 83-5636. Roger Dale Stafford, Petitioner *v.* Oklahoma. On petition for writ of certiorari to the Court of Criminal Appeals of Oklahoma. The motion of petitioner for leave to proceed *in forma pauperis* is granted. The petition for writ of certiorari is granted. The judgment is vacated and the case is remanded to the Court of Criminal Appeals of Oklahoma for further consideration in light of *Strickland v. Washington*, 466 U.S. ⁶⁶⁸ (1984). Justice Brennan and Justice Marshall: Adhering to our views that the death penalty is in all circumstances cruel and unusual punishment prohibited by the Eighth and Fourteenth Amendments, *Gregg v. Georgia*, 428 U.S. 153, 227, 231 (1976), we would grant certiorari and vacate the death sentence in this case.

No. 83-6125. Roger Dale Stafford, Petitioner *v.* Oklahoma. On petition for writ of certiorari to the Court of Criminal Appeals of Oklahoma. The motion of petitioner for leave to proceed *in forma pauperis* is granted. The petition for writ of certiorari is granted. The judgment is vacated and the case is remanded to the Court of Criminal Appeals of Oklahoma for further consideration in light of *Strickland v. Washington*, 466 U.S. ⁶⁶⁹ (1984). Justice Brennan and Justice Marshall: Adhering to our views that the death penalty is in all circumstances cruel and unusual punishment prohibited by the Eighth and Fourteenth Amendments, *Gregg v. Georgia*, 428 U.S. 153, 227, 231 (1976), we would grant certiorari and vacate the death sentence in this case.

No. 83-6413. Christopher A. Burger, Petitioner *v.* Walter Zant, Warden. On petition for writ of certiorari to the United States Court of Appeals for the Eleventh Circuit. The motion of petitioner for leave to proceed *in forma pauperis* is granted. The petition for writ of certiorari is granted limited to Question I(B) presented by the petition. The opinion of the United States District Court for the Southern District of Georgia on this question, which the Court of Appeals adopted without separate discussion, may be flawed in at least one respect. In judging the reasonableness of counsel's decision not to present character evidence, the District Court apparently mistook the arguments counsel made at petitioner's *first*, ultimately vacated, sentencing for the arguments counsel made at petitioner's *second* sentencing, the proceeding whose result is challenged in this petition. *Blake v. Zant*, 513 F. Supp. 772, 796-798 (1981). Petitioner is entitled to an assessment of his ineffectiveness claim unaffected by this, as well as by any other, error. Accordingly, the judgment is vacated and the case is remanded to the United States Court of Appeals for the Eleventh Circuit with instructions to reconsider the effectiveness of counsel's assistance at petition-

er's second sentencing and for further consideration in light of *Strickland v. Washington*, 466 U.S. — (1984). Justice Brennan: Adhering to my view that the death penalty is in all circumstances cruel and unusual punishment prohibited by the Eighth and Fourteenth Amendments, *Gregg v. Georgia*, 428 U.S. 153, 227 (1976), I would grant certiorari and vacate the death sentence in this case. Justice Marshall would grant certiorari for the reasons stated in the dissenting opinion of Judge Johnson and set the case for oral argument.
