Re: *Air & Liquid Systems, et al. v. DeVires, et al.*, No. 17-1104 (U.S.)

Dear Mr. Harris:

I am writing to inform the Court that the petitioners in this case grant blanket consent to the filing of amicus curiae briefs in support of either or neither party. I have communicated this blanket consent to Richard P. Myers, counsel for respondents, who authorizes me to say that respondents likewise grant blanket consent to the filing of amicus curiae briefs in support of either or neither party.

Sincerely,

Shay Dvoretzky
