Petitioner in Pro Se

I am readily familiar with the firm's practice of collection and processing
correspondence for mailing. Under that practice, it would be deposited with the United

States Postal Service on that same day with postage thereon fully prepaid at Sacramento, California, in the ordinary course of business. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on April 25, 2018, at Sacramento, California.
