Re: *Manhattan Cmty. Access Corp. v. Halleck*,  
No. 17-1702

Dear Mr. Harris:

I represent respondents in the above-captioned matter. The petition for certiorari was filed on June 21, 2018. The brief in opposition is currently due on July 25, 2018. We have been notified that an *amicus* brief will be filed in this matter.

I respectfully request a 30-day extension, which would render the brief in opposition due on August 24, 2018.

Thank you for your assistance.

Sincerely,

---

Paul W. Hughes
